

Brewer

FLEX™ Access Exam Table

Step-up to power table performance for less

Enhance safety for patients & staff

- Reliably transition patients from consultation to examination with minimal caregiver interaction
- Unmatched ergonomic patient access helps keep you and your staff healthy and more productive

See more patients per day and more types of patients

- Perform a wider range of examinations than would be possible with a non-powered table
- Industry-leading 700-lb. (317 kg) weight capacity supports bariatric excellence
- Meet ADA standards for safe lateral wheel chair transfers with a low 18" (45.7 cm) seat height

Get unmatched bottom-line value

- Unlike traditional, fixed height exam tables, *FLEX*™ qualifies for significant tax credits
- Net cost to you can be less than that of a fixed-height table
- Brewer exclusives and industry-leading features offer you more for your money

The Power to Advance. Safely. Financially. Competitively.
