

Versa

An exam table as diverse as your patient population.

Standard top with patient assist handles, stirrups and pelvic tilt

Standard top

Pediatric top

Brewer

Versa gives you the ability to readily and cost-effectively adapt to your changing needs. When it comes to care, the standard model provides a new standard of quality and efficiency for most practices. Easily convert to a pediatric top to safely and effectively care for children from newborns to teenagers.

IMPROVED PATIENT EXPERIENCE

- Stable cushioned platform with 500 pound patient weight capacity comfortably supports patients of all builds.
- Large, sturdy step with anti-slip surface enhances patient security, and is easy to clean.
- Multi-position patient assist handles offer security and support patient self-positioning.

HIGHLY CUSTOMIZABLE

- Easy to connect, removable upholstery top is available in standard adult and pediatric sizes to meet the changing needs of your facility.
- Versa is truly customizable – choose only the options you need to stay within your specific budget.
- Optional features include patient assist handles, electrical receptacle, drawer warmer and pelvic tilt, debris pan, urology drain pan, exam light bracket, knee crutch attachments and front drawer dividers.

MORE CONVENIENT ACCESSIBILITY

- Ergonomically designed pass-through side drawer positioned purposefully at waist height to reduce bending and twisting for caregivers while offering a generous 3.7 ft³ of storage space.
- Front drawer strategically positioned at lower leg height to eliminate uncomfortable situations for caregivers and patients.
- Rounded corners and softened edges throughout safeguard patients and caregivers while improving patient access.

Large pass-through drawer with included dividers offers 3.7 ft³ of storage to organize essentials.

Standard top

- Easy connect upholstery top can be removed for a deep cleaning or interchanged with a pediatric top.

- 500 pound patient weight capacity

- Ergonomically located side drawer reduces caregiver bending and twisting

Pediatric top

- Sloped and cushioned baby-cradle edges keep younger children safely in place during exams

Total Storage Capacity

Brewer Versa 1 Drawer Front; 1 Side	4.7 ft ³
Brewer Access 5000 2 Drawer Front; 2 Side	5.2 ft ³
Competitive Table 2 Drawer Front; 3 Side	4.2 ft ³

- Lower drawer positioned so caregivers do not have to infringe on patient personal space

- Large, anti-slip patient step

- Padded leg extension accommodates older children

Multi-position patient assist handles designed to expedite patient transfers and facilitate efficient repositioning.

Women's health package includes drawer warmer, pelvic tilt and ergonomic stirrups.

Large, sturdy step with integral anti-slip surface enhances patient safety and is easy to clean.
