Brewer

Access® High-Low Exam Tables

Specifications

Brewer Differentiators

• Industry-leading 700-lb. (317 kg) weight capacity for Model 6800/6801

• Combination of 18” (45.7 cm) low height in seated position and safety grab bars that rotate nearly 180° enables more confident transfers

• Exclusive SafeGlide™ leg extension allows caregivers to slide the heavy-duty extension in and out with minimal effort

• Innovative pass-through drawers and work surface offer access from either side

• Made in USA
