

## OUR NEW EXAM TABLE FOOTREST PAD

Our new footrest pad adds comfort and support to the patient experience. Featuring high-density foam and a non-skid bottom, the new footrest from Brewer removes uncomfortable pressure points on patient legs when lying on an exam table for an extended period.

The new footrest pad is available as an optional accessory on all Brewer manual and power exam tables!

Footrest Pad  
Part #: 3500077

*Shown: FLEX Premium  
in Deep Sapphire*

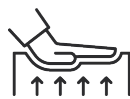

The new footrest pad offers even more comfort when lying on a Brewer exam table for an extended amount of time.

### Non-skid bottom

Stays securely in place on the exam table footrest

### High-density foam

Maintains its soft cushioning for long-lasting comfort.

### Zipper Closure

Easily remove cushion for cleaning or replacement.
